

Club Membership Benefits

Club membership is assumed to consist of a single person or couple including all family members who are under the age of and 18 living in the same household. Junior memberships are also available for children between the ages of 8 and 18. Kids can readily participate in most club events when accompanied by their parents or guardians. The monthly newsletter and any other special correspondence are included with your membership. The most important benefit of joining the Mass Cruisers is the opportunity to share rewarding experiences with a wonderful group of new friends.

Annual member dues are \$80.00 and shall be paid before December 1st. New members who join the club January thru June shall pay the full dues cost. New members joining the club July through November shall pay \$40.00 (or 50% of the annual dues).

Cruisers

Membership Application

The Mass Cruisers Auto Club is a non-profit organization dedicated to furthering the enjoyment of motor vehicles of all types. Although the primary focus of the membership may be on preserving, restoring, or modifying older vehicles, ownership of a vehicle is not required. The club membership provides a forum to develop activities throughout the year for social and charitable activities. Mass Cruisers is an active club that fosters a participating membership environment for the entire family.

The Mass Cruisers is a member of the Massachusetts Association of Auto Clubs.
